# CALL FOR PAPERS – DEADLINE: July 5, 2016

**International Conference on the future of Sturgeon Aquaculture** encourages the submission of high quality oral and poster presentations. We strongly encourage authors to consider poster presentations, because poster sessions will be an integral part of the program. Papers submitted for “oral presentation only” may not be accepted as oral presentations due to the limited number of available time slots.

**All abstracts must be in English - the official language of the conference.**

**Posters will have a featured and prominent place in International Conference on the future of Sturgeon Aquaculture 2016**

- Presenters that turn in the PDF or PowerPoint of their poster four weeks before the conference will have their poster reviewed at the end of the appropriate oral session.
- If turned in as stated above, the posters will also go on the conference website.
- In the Program Book, special announcements will be made in the oral session lists of where relevant posters can be found.

Each oral presenter shall be entitled to no more than 20 minutes for a presentation, plus 5 minutes for questions. Oral presentations should use Power Point. Overhead and slide projectors and video players will not be available or allowed.

All presenters are required to pay their own registration, accommodation and travel expenses. **International Conference on the future of Sturgeon Aquaculture** cannot subsidize registration fees, travel or hotel costs.

No Abstract Book will be printed - a USB will be given to registered attendees.

## INSTRUCTIONS FOR PREPARATION OF ABSTRACTS
